Brooklet: Regulatory & Compliance Advisory

Brooklet Advisory is a specialist consulting firm providing expert guidance on Hong Kong's regulatory landscape. We were founded by industry professionals who combine decades of in-house experience at global investment banks, brokerages, asset management firms, and the Hong Kong Exchanges with strong legal and compliance credentials.

Our practical approach helps clients navigate licensing, manage ongoing compliance obligations, and confidently handle regulatory scrutiny. We partner with firms of all sizes to deliver compliant and commercially sound solutions.

Our Services

We provide end-to-end support across the full business lifecycle.

1. Licensing & Registration

Guidance through the entire application and approval process:

- Assistance with formal regulatory inquiries and investigations

4. Specialized Advisory & Project Support

Targeted expertise for critical business events:

- Compliance Training: CPT-eligible courses and tailored training for staff
- Policy Drafting: creation and review of core documents (e.g., Compliance Manuals, Personal Account Dealing Policy, Risk Management Policy, Business Continuity Plan)
- Incident & Remediation Support: guidance on responding to compliance breaches and developing remediation plans
- M&A Support: guidance on sale and purchase of SFC licensed corporations

Our Team

Thomas Uruma | Director

Thomas has over 25 years of experience in both front-office and compliance roles. He began his career in sales and trading within private banking before moving to senior brokerage positions at OKASAN International, CITIC Securities, and HSBC.

This front-office background provides him with a practical understanding of business pressures. He later transitioned to compliance, and as Regional Head of Client Services at a leading consultancy, he managed a portfolio of over 140 clients, from global investment banks to specialist asset managers. His experience allows him to deliver compliant and commercially astute solutions.

Thomas holds a Master of Arts in Economics from Soka University and is fluent in English, Japanese, Cantonese, and Putonghua.

Ben Li | Director

Ben is a legal and compliance professional with over 12 years of experience across multiple jurisdictions, including Singapore, Hong Kong, China and Macao. His career has focused on designing and implementing compliance frameworks for asset managers, brokers, and innovative fintech platforms.

As a former enforcement agent at HKEX, Ben conducted on-site inspections of brokerage firms, providing him with first-hand knowledge of how regulators assess compliance with trading and clearing rules.

Most recently, Ben served as the Manager-in-Charge of Compliance for the Micro Connect Group. In this role, he built the alternative fund compliance framework and the AML/CFT architecture for the Micro Connect (Macao) Financial Assets Exchange from the ground up.

Ben is a CFA charterholder, holds a Master of Laws (Chinese Law) from the University of Hong Kong, and is fluent in English and Putonghua.
