Website

1. Content
    a. Need to showcase our "edge"

Option 1: The "Specialist Grid" (Recommended for Home Page)
This layout uses short headers and concise descriptions, perfect for a "Why Choose Us" section.
The Brooklet Edge
Former Regulators & Enforcers
Our firsthand experience within HKEX Enforcement provides a practical understanding of how regulators assess compliance and manage risk.
Commercial-to-Compliance Perspective
With decades of experience in global investment banks and front-office roles, we understand the commercial realities and operational pressures you face.
Proven Institutional Scale
We have supported the compliance needs of over 140+ financial institutions, ranging from global investment banks to boutique asset managers.
Cross-Border Specialists
Deep expertise bridging Mainland China, Macao, and Hong Kong regulatory frameworks, including SFC, HKEX, MAS, and AMCM.

Option 2: The "Executive Summary" (Ultra-Concise)
Best for a sidebar or a "Quick Facts" section.

- **Regulatory Insight:** Direct experience from within **HKEX Enforcement**.
- **Front-Office Roots:** Decades of experience at **global financial institutions**, ensuring commercially viable solutions.
- **Trusted Scale:** A proven track record advising **140+ institutional clients** across Asia.
- **Regional Fluency:** Specialist knowledge of **HK, Mainland, and Macao** regulatory environments.

Option 3: The "Human & Practical" Narrative
Best for the "About Us" page to emphasize your firm's ethos.
Why Brooklet Advisory?
We believe compliance should be a business enabler, not a barrier. The "Brooklet Edge" is built on:

- ***Practicality:*** *We don't just cite rules; we apply a* ***former regulator's perspective*** *to solve real-world problems.*

- ***Experience:*** *We have sat in your chair. Our team transitioned from* ***front-office leadership*** *at global banks to compliance, ensuring our advice is always commercially sound.*
- ***Reliability:*** *Having managed compliance for* ***140+ firms****, we bring the stability of a large-scale consultancy with the dedicated focus of a specialist boutique.*
- ***Connectivity:*** *We bridge the gap between* ***Mainland China, Macao, and Hong Kong*** *frameworks with native linguistic and regulatory fluency.*

2. Delivery Channel

PowerPoint

1. Move Brooklet Advisory to the top right
2. Remove "Page X" – insert page number on the bottom
3. Page 2 and 3 – colour too brights – not aligned with the rest
4. For page 4 – Add Goldman Sachs and Religare for Ben's experience
5. A Hong Kong specialist consultancy helping financial institutions with licensing, compliance and regulatory scrutiny.

Brooklet Advisory: Revised PPT Content

    - Cross-border fundraising and product distribution advisory.
    - BCAN generation and Northbound Investor ID Model support.
- **3. Regulatory Defense & Crisis Management:**
    - SFC/HKEX On-site Inspection: Real-time support during audits.
    - Mock Audits: Identifying gaps before the regulator does.
    - Remediation: Handling formal inquiries and investigations.

Slide 4: Leadership Team

- **Thomas Uruma | Director**
    - **25+ Years** of financial industry experience.
    - Career Path: Began in **sales, trading, and private banking** at HSBC, CITIC Securities, and OKASAN International. This front-office background provides a practical, commercial perspective on compliance.
    - Compliance Leadership: Transitioned to **compliance consulting**, supported the compliance needs of over **140+ financial institutions** across Asia.
    - Credentials: MA Economics, Soka University.
    - Languages: Fluent in English, Japanese, Cantonese, and Putonghua.
    - *Expertise:* Brokerage, Private Banking, Commercial-to-Compliance Solutions.

- **Ben Li | Director**
    - **12+ Years** as a legal and compliance professional.
    - Career Path: Began his compliance career at investment banking firms Goldman Sachs and Religare, before moving to regulatory consulting, a regulatory role at HKEX, and a leadership role at Micro Connect.
    - Regulatory Insight: As a former **HKEX Enforcement Agent**, Ben conducted on-site inspections of brokerage firms, providing him with a clear view of regulatory expectations.
    - Credentials: **CFA** Charterholder; Master of Laws, HKU.
    - Languages: Fluent in English and Putonghua.
    - *Expertise:* Asset Management, Brokerages, Investment Banking, AML/CFT, and Regulatory Enforcement.

Slide 5: Representative Engagements

- **Market Entry:** Navigated the complexities of SFC Type 1, 4, and 9 licensing for family offices, FinTech firms, and institutional asset managers.
- **Fund Formation & Launch:** Provided end-to-end support for new fund launches, including legal structure selection, term sheet finalization, and vendor selection.
- **Regulatory Defense:** Provided real-time support and gap analysis for firms facing thematic reviews and on-site inspections by the SFC.

- **Operational Compliance**: Delivering comprehensive guidance across the full fund lifecycle of Fundraising, Investment, Management, and Exit ("募投管退")
- **Digital Asset Infrastructure:** Designed the end-to-end AML/CFT architecture for a pioneering Macao-based financial assets exchange, bridging innovative technology with regulatory expectations.
- **Institutional Scale:** Managed the ongoing regulatory and compliance obligations for a portfolio of over 140 financial institutions across Asia, ranging from boutique managers to global investment banks
